1. Contact Julie Lou via email

2. Initial phone consultation: Julie Lou will listen to your ideas of the dream dress or can suggest a few of her own. Email any inspirational images.
3. At your free consultation you will view initial designs and discuss inspiration and fabric ideas.
4. Design agreed fabric chosen it's now time to be measured. This is a bespoke service so the dress will be tailored to your figure so that you feel and look like a million dollars.
5. At your first fitting you will be asked to try on a mock-up of your dress aka toile. This is a sample of your dress and is usually made from cotton and will help give you an idea of what your dress will look like. Any major changes to the design are made here.
6. At your second fitting your dress will be made in your chosen fabric, this is where any tweaks to the fit of the dress will be made and where the hem length will be determined. (Any further fittings will be decided at this meeting depending on complexity of the design)
7. Julie Lou will then go away work her magic adding the final finishing touches.
8. Voilà dress completed, you are now ready for your big event.

Please allow approximately 6 weeks for the completion of your dress from initial consultation to delivery. Julie Lou will endeavour to accommodate you should you require a dress in a shorter amount of time, please don't hesitate to get in touch.
